Lose – Win Game!

I hope that it will help you practice good **sportsmanship skills** with your child!

For more games and activities to develop your child's speech and language skills, visit my blog: iHeartSpeech.com

Partnering with Families to Improve Lives

How to Play:

Print out a copy of the game. Cut enough game cards for everyone to draw one card. There will be one “Win” card and the rest will be “Lose” cards. Fold each game card in half. Also, grab a paper bag or old gift bag and toss in the folded game cards.

To play the game have all of the players sit in a circle and discuss the things you could say when someone wins. Write it down or draw a picture of those statements. Then discuss all of the things you could say when someone loses. Write those down, too!

Before you each draw a card from the bag, pick a “win” comment and a “lose” comment. Then let each person take a game card, keeping it folded until everyone has a chance to get one. Then the person with the “Win” card goes first and says his “win” comment. Then the other players get to say their “lose” comment as they put the game cards back in the bag and get ready to play again!

It’s a quick playing game that is designed to be played multiple times in a row to practice saying appropriate things at the end of a game.
